Building Coordinator: Darrell DeMart no (636) 627-6724

Building Background:

Three Floors

Fire extinguisher locations:

- o First floor:
  - o Outside rooms 15, 100 and 111
  - o Two behind stage at exit doors
- o Second floor: outside rooms 203 and 206
- o Third floor: outside room 300

Fire alarm locations:

- o East and West side front doors
- o Two behind stage
- o Third floor top of stairs at both ends of hallway
- o Lower level at each exit door

Building Evacuation Route:

In the event of a Bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

First floor: use stairs and exit through front entry door OR side exit door

Second floor: use the front entry door OR west exit door

Third floor: use stairs and exit by front entry door OR side exit door

Auditorium: use the front door OR one of the two emergency exits behind the stage

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

Parking lot located across the street from the south entrance

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (lowest level at room 1-5 OR at room 100-105). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
