Three Floors

Fire extinguisher locations:

- Second floor south stairwell door
- Inside and outside the lower level
- South lower-level door

Fire alarm locations:

- North stairwells
- North entry door

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area:

Rooms 105-114: use the north stairs to north or south exit

Rooms 115-126: should exit from the south door

Rooms 205-216: use the main north entry

Rooms 217-226: use the south stairs or north entry

Rooms 301-314: use the north stairs

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Grassy area in front of Irwin Hall

In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (First Floor Hallway). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
